Varsity Football:

The football season was disappointing in the win-loss column but it was a good season in terms of having a group of young men who performed with determination, a spirit of pride, and a never-die attitude.

The season started off well with a win over a tough Wilcox team in the final minutes, 10-7. A win over Pioneer in the Big Bell Game gave the team a respectable record of 2-2 after four weeks. But the rest was downhill as the squad lost four games by a touchdown or less.

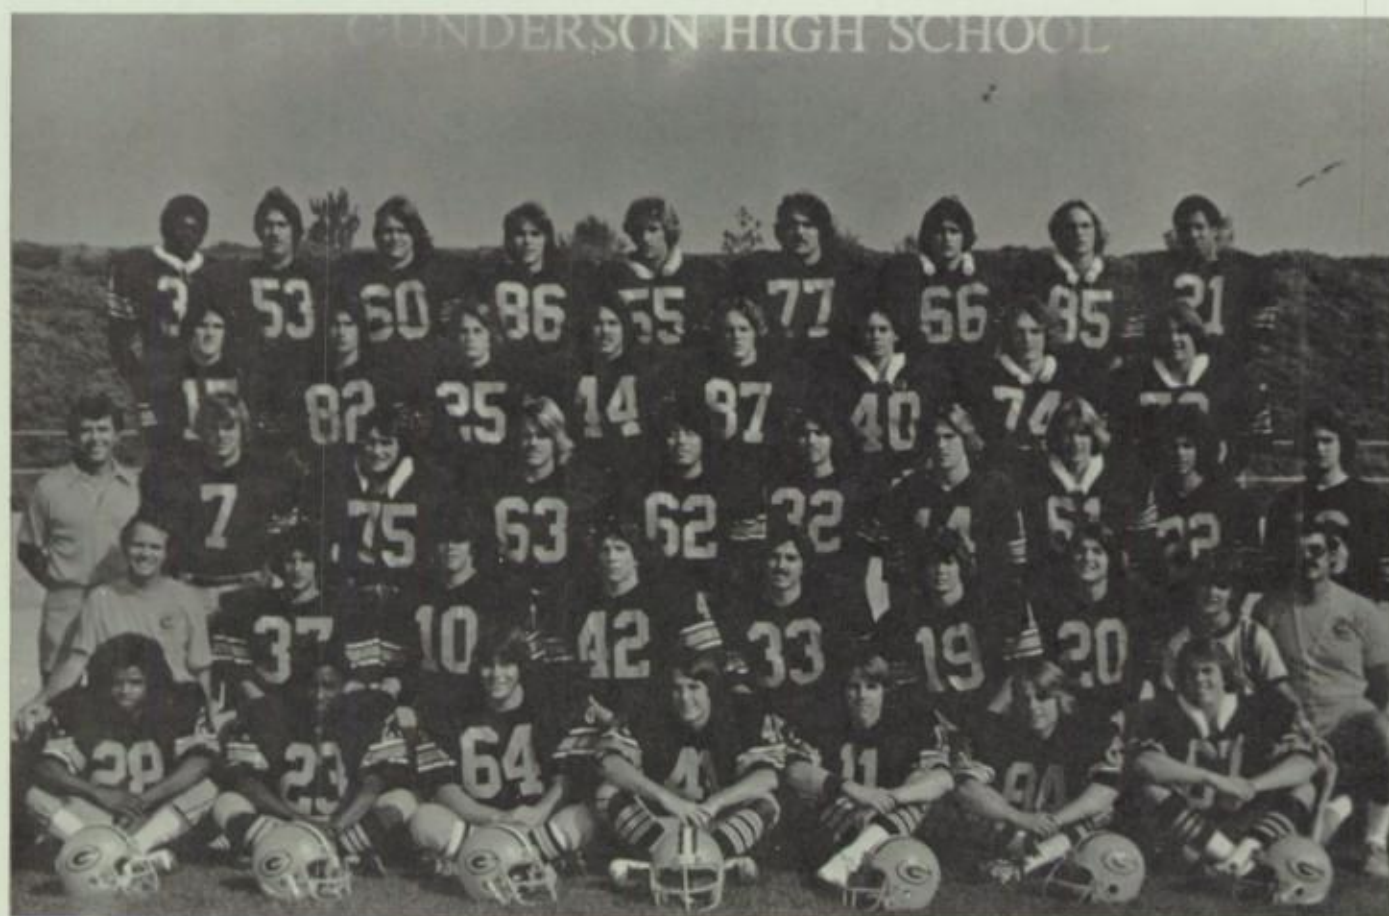

Congratulations to Rey Mendizabal who was chosen as an all-league player and the outstanding lineman in the S.T.A.L. Congratulations also to Rod Smith and Chris Morgan for making first team all-league and to Steve Malone and Steve Zussman for being selected for second team all-league. Honorable Mention went to Tim Morgan, Chris Bolding, Steve Thomas, and Jeff Douglas.

We thank the members of the team who worked hard all season and performed their best. We will miss the seniors who will not be back next year.

BIG BELL GAME '79

On November 9, Gunderson played Pioneer in the first annual Big Bell game. Gunderson won the game easily, 28-7. The offense was led by Chris Morgan and Rod Smith as they scored two touchdowns a piece. The defence held Pioneer scoreless until the final minute of the game. We hope the bell will stay here next year too.

SOPHOMORE FOOTBALL

The SOPHOMORE FOOTBALL TEAM finished with a 7-1-1 record and an undisputed possession of first place in the S.T.A.L. Not included in the record were 14-0 and 7-6 scrimmage victories over Buchser and Wilcox. The championship was decided on the final day of the season by a thrilling 19-14 victory over Leland. The win was exceptionally satisfying because two fourth quarter touchdowns were needed to pull out the win. The running of Dan Giamona and Tad Jinguji and several key passes by Rick Whitman to Gus Rubi. Defensive highlights were two interceptions by Tad Jinguji, one by Tim Fryhoff, and a blocked punt by John Holland. The most valuable player in S.T.A.L. was Tad Jinguji. All League honors were given to Dan Giamona, Jeff Ramirez, Gus Rubi, Craig Schlick, Nick T'Souves and Rick Whitman for first team, and Mike Caraway, Tony Carcione, Deon Freitas, Tim Fryhoff, Roy Stoddard and John Telesco for second team.

FIELD HOCKEY

STICKS WITH IT!

At the beginning of the season the field hockey team consisted of only 7 players. A minimum of 14 players was required in order to have a team, but the lack of interest on the students part almost caused the cancellation of the team. But since the 7 original players still wanted to play, the team was allowed to compete against other schools even though they were at a 2:1 disadvantage. Due to this unfavorable situation the team lost its first five games. As the season progressed, the team gained in players and skill.

Despite all of their problems, the field hockey players had a great deal of sportsmanship and team cooperation, which lead to a rewarding season.

The team will be losing two excellent players. Seniors, Debbie Montilla and Edie Zeman, both contributed much support and skill to this years team.

First team all-league on the varsity were Greg Rush, Roy Gonzalez, Roque Maraqualay, and Alex Gonzalez. First team all-league for the frosh-soph team were Paul Fernandez, Craig Royer, Matt Wolfinger, and John Fernandez. Coach Hernandez should be congratulated for a job well done.

Varsity Volleyball

"Get It Right The First Time"

The girls volleyball team placed 1st in the S.T.A.L. tournament. All through the season our girls showed great team spirit enthusiasm. Gunderson's team record was 13 wins and 1 loss. The players to make 1st team all league were Cindi Lefferts and Linda Johnson; Michele Borders made 2nd team. The girls motto this year was "Never let the ball hit the ground". With their ability to spike and their unbreakable concentration, Gunderson's girls rose to the top. They will be losing 4 outstanding seniors this year. Michele Borders, Cindi Lefferts, Linda Johnson and Robin Spencer.

The girl's varsity tennis team had an even season of seven wins and seven losses. Although the team did not do too well in League Finals, Robi Wolfe and Monica Spencer paired up as a doubles team and won consolation. Coach Rob Graun, is looking forward to a successful team next year and feels it will continue to grow in strength as a result of the many experienced returning players.

Although there was not a competing J.V. team, several girls came out to practice with the Varsity players. Joanne Martin, Heather McKinnon, Stephanie Kiesweier, Lisa Rowe, Bonnie Satz, and Debbie Sharp showed much dedication and interest in the team.

VARSITY BASKETBALL TEAM

"RUNNING WITH THE WIND"

This year's varsity basketball team had its best year ever. The year started off well with a third place finish in the Blossom Hill Classic. The team then took second in the Carmel tournament, only losing to a powerful Sr. Francis team. The squad then had a 7-7 league record. They needed five wins in a row to qualify for the Shaunassy playoffs. In Gunderson's first play-off game, the Grizzlies upset San Jose, the team that won the S.T.A.L. crown, 53-51. A rough loss to a strong Willow Glen team ended the team's fine season. Phil Norman was named to the S.T.A.L.'s first team. Phil also won the league scoring title with an average of 22 points a game. Other outstanding players during the year were Andy Raymundo, Jeff Douglas, Chris Morgan and Tad Jinguji. With six lettermen returning for next year, Gunderson should have a strong team next year.

Boys Soccer

The Gunderson boy's soccer team had an outstanding season. Their record this season was 12 wins, 2 loses and 1 tie. With their ever growing skills and alot of hard practice, they ended the season tied with San Jose High. Although Gunderson had alot of winning potential, San Jose was elected to go to the CCS playoffs because of their previous experiences. Next year it looks like a very promising year, 8 starters-7 which were sophomores. Dave Maxwell and Troy Carson, Dave Maxwell and Kevin Lafferty.

Girls Basketball- Bounces

Back After Slow Start

Unfortunately this years Varsity Girls Basketball Team got off to a slow start. Because of a lack of depth and experience their season was not what they hoped to be. The team was made up of two returning players from last years team and five new sophomores. They are losing only one senior, (Debbie Montilla) who added alot of skill to the team), this year so next years team looks very promising.

Team Shot: Kim Tucker, Monica Spencer, Laura Asselin, Yvonne Maragulay, Debbie Montilla, Melanie Spencer, Denise Fine.

The J.V. team also played outstanding. Its members were Cathy Chang, Jackie Chang, Terri Bobst, Jan Douglass, Judi Takayama, Bonnie Satz, Shannon Sell.

Wrestlers Do It

On The Mat

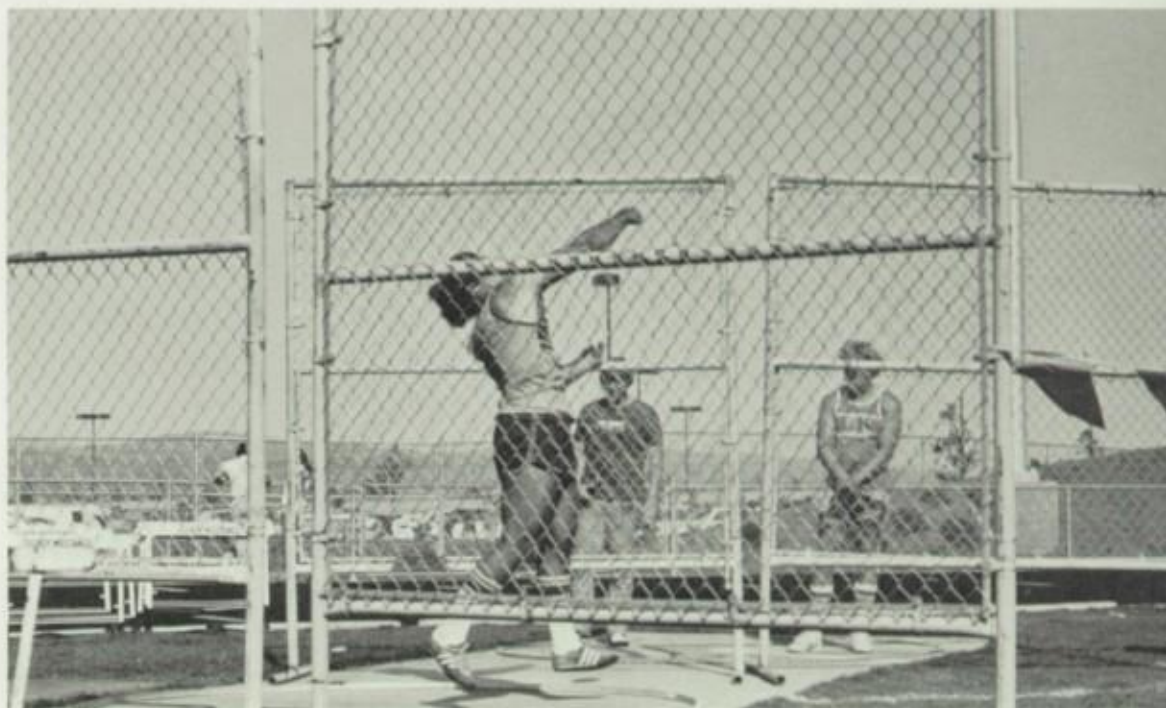

This years wrestling team had a fine year but the outstanding individual achievements outshadowed the year. Danny Chaid, who won the state championship in the 177 pound weight class, had an undefeated season. Chris Bolding, who also went to the state finals and placed ninth, was the heavyweight wrestler of the team. Todd Snyder qualified to wrestle in the C.C.S. finals but had to drop out of competition because of an injury. With almost all of the team coming back for one more year of wrestling, Gunderson has a strong chance for a S.T.A.L. team title.

Standing (L-R) Nick T'soulas, Jerry Skaw, Chris Bolding, Danny Chaid, Todd Snyder, Mike Bernstein, Coach Jimenez, Kneeling (L-R) Steve Wilson, Dave Lee, John Telesco, Mark Miltimore, Ray Stoddard, Greg Tomassian.

Both Varsity Track teams had an outstanding season. The girls team record was 2 wins and 8 losses. If they had, had a bigger long distance team they would have won more meets. As it was they only lost by 4 to 8 points. Next year should be a better team since they will only be losing a few seniors.

The boys track team had a team record of 10 wins to 0 losses. They also came 1st in S.T.A.L. They showed good sportsmanship and excellent skill during their long meets.

Boy's Swimming

The swim team had another fine year as they finished 3rd in the league. Both Brian Bolster and David Doll set new pool and league records during the year. Even though the team will lose Rick Murray, Greg Cox, Danny Cox, and Andy Houtz to graduation, Bolster and Doll will return to keep Gunderson a quality swim team.

The Gunderson Varsity Baseball Team had the best season ever in the history of Gunderson Baseball. Their record in league (14-0) Topped all C.C.S. standings being the only undefeated team in the C.C.S. "We really accelerated during the season with John Fryhoff, (Grizzly CO-MVP of the league, 1st team all C.C.S. pitcher), and Troy Carson, (Grizzly CO-MVP of the league, 1st team all C.C.S., pitcher and third baseman) on our side", according to Brian Johnson (Grizzly first baseman).

Troy Carson had the most runs scored (15), stolen bases (16), and shutouts (3) in the league. Grady Owczarzak had the most triples (2) in the league. Brian Johnson, Tad Jinguji, and Mike Souza all led the league in sacrifices (5).

Member of the squad receiving all-league honors were, John Fryhoff, Troy Carson, Jim Hylton, (1st team all-league, 2nd team all C.C.S., center fielder), Darren Cassidy (undisputed 1st team all-league, catcher), Mike Souza (1st team all-league, 2nd baseman), Brian Johnson, (2nd team all-league, 1st baseman), Rick Herrera (2nd team all-league, left fielder), Tad Jinguji (2nd team all-league, shortstop), John Burchfield (honorable mention all-league) and also Grady Owczarzak.

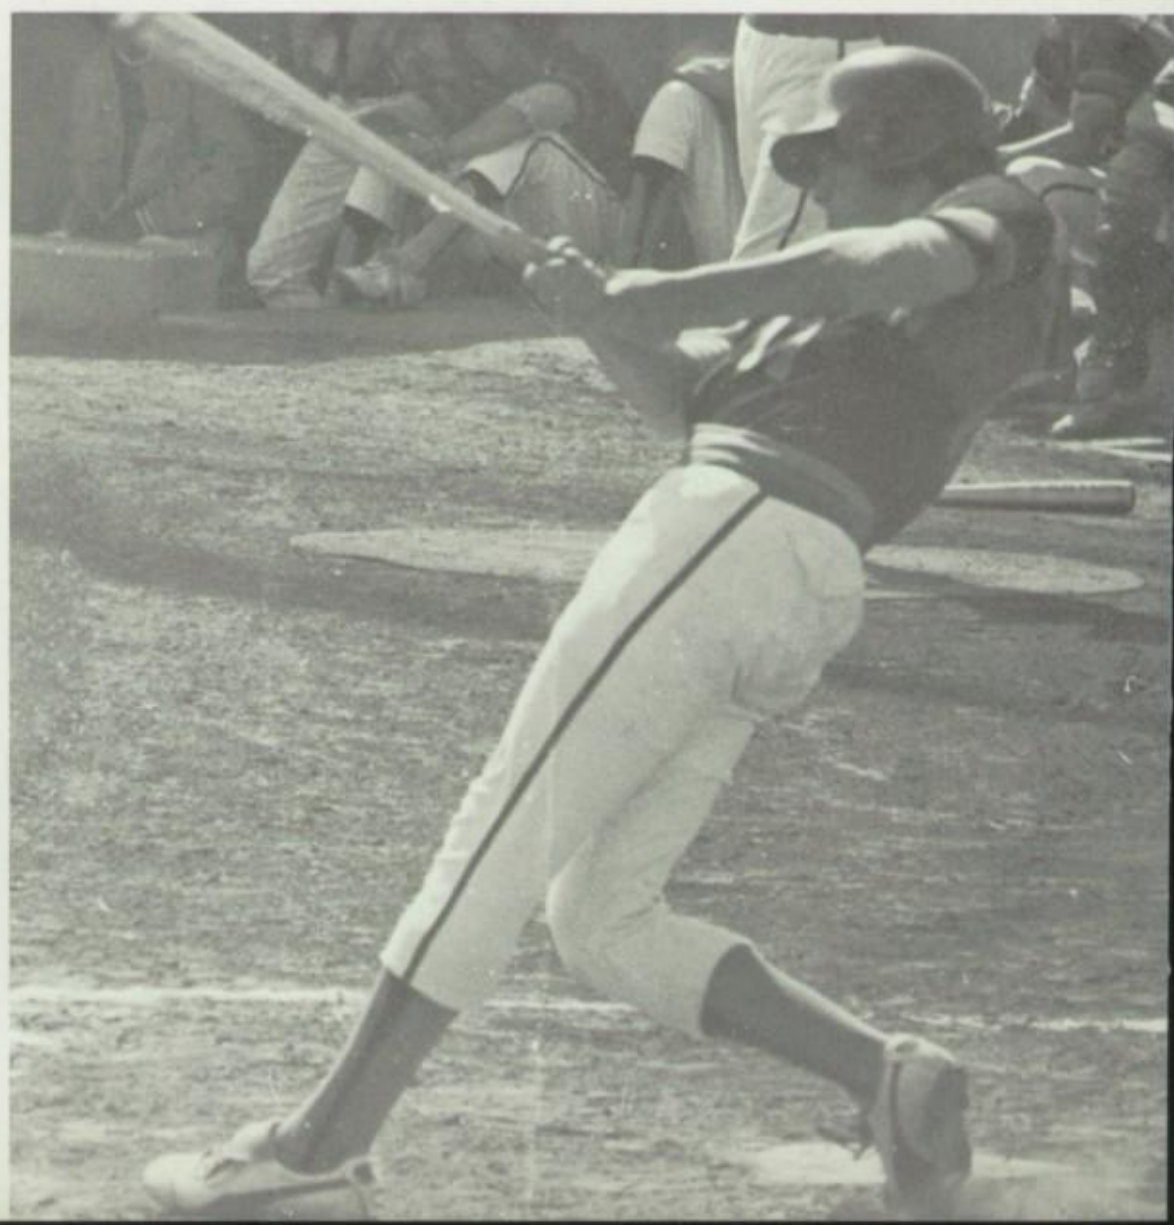

"This Is It"

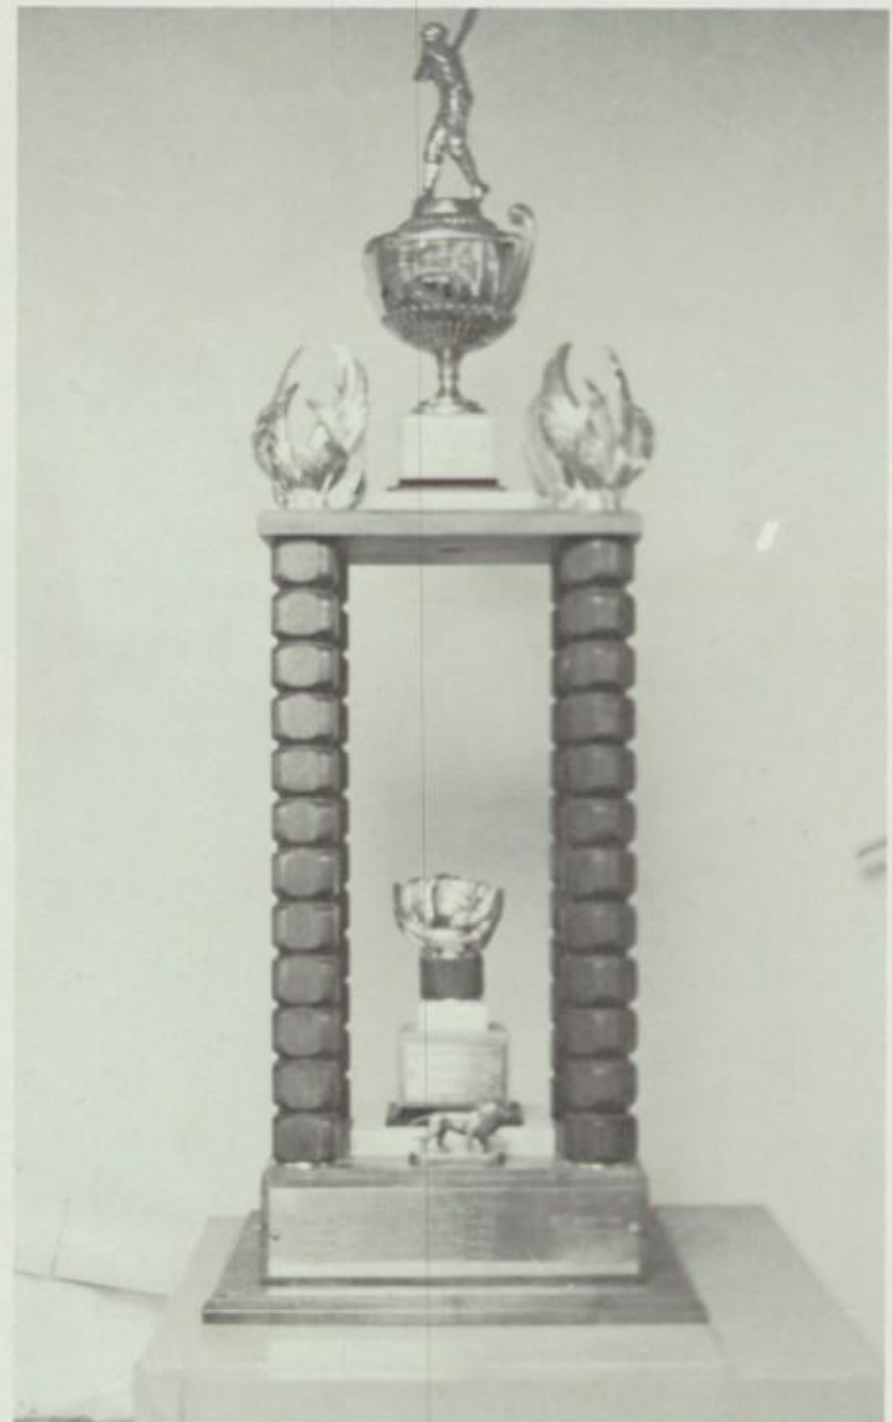

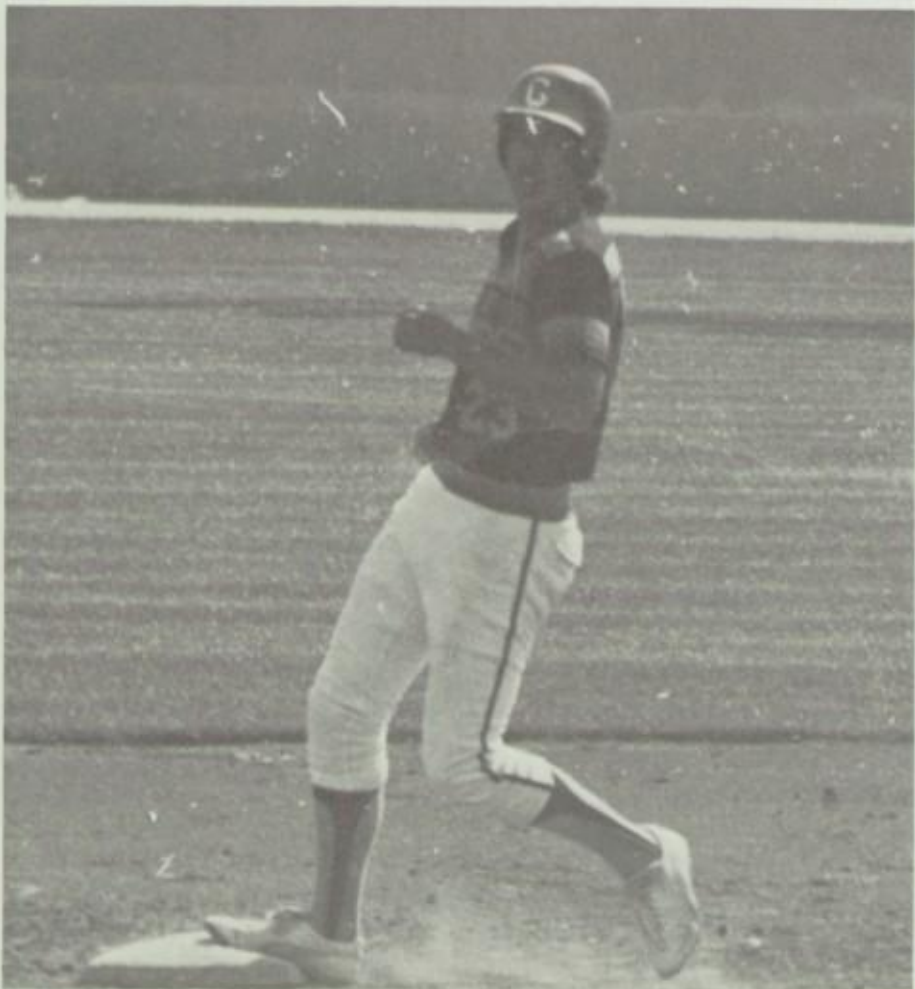

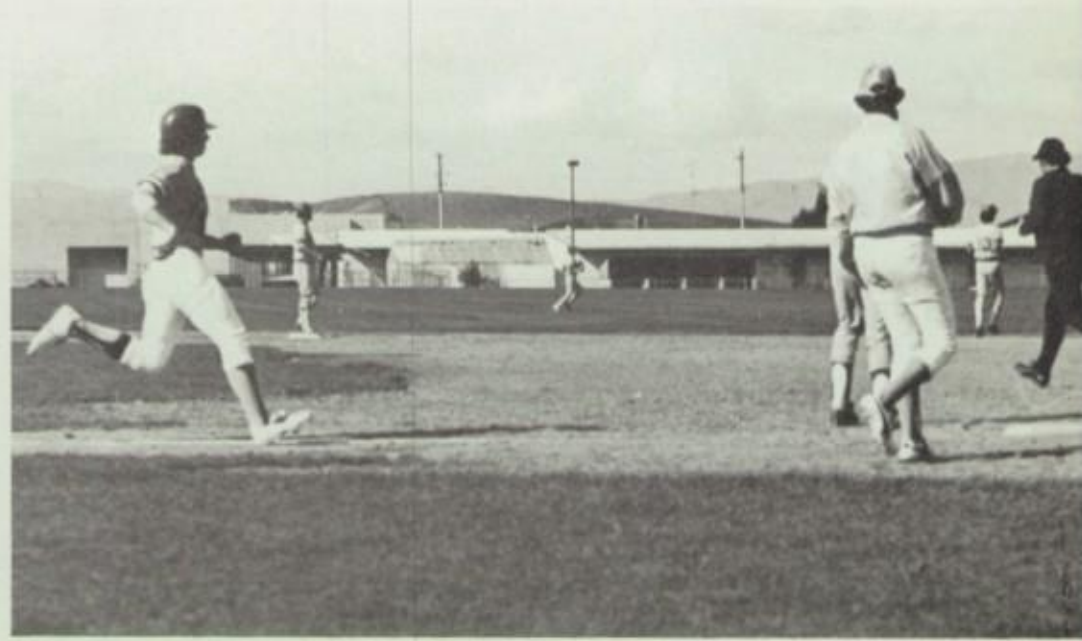

The Grizzly over-all record was 22 wins and 2 losses. Most of the non-league games were played in the Lion's Tournament. The trophy (bottom right) was captured by the Grizzlies after going undefeated in the Tourney. If the team wins the Tourney for the next two years, the trophy will be permanently Gunderson's.

Swings Into Action

The Girl's Softball team had a great season, they tried to regain their S.T.A.L. Championship but was unsuccessful. Their over-all record was 10-4; they finished third in the League. They will have 7 returns and a few incoming sophomores for next years team.

They will be losing 6 outstanding seniors, (Cindi Lefferts, Robin Spencer, Cheri Hoole, Michelle Borders, Linda Johnson, and Mary Lopez), this year who contributed alot of skill and effort into the team.

Registration

"Long Hard Ride"

On September 5, many students returned to Gunderson for the hectic day known as registration. For those who were just beginning, they had a surprise in store for them. The first wave of kids arrived at 7:00 and the last at 3:00. It was a long, tiring day for both the students and faculty. Had the teachers not gotten the volunteering help of some students, the day would have been much worse.

The 1979-1980 Varsity Spirit Squads encountered many problems throughout the year. With a starting number of 18, the Varsity dwindled down to 5. A lack of responsibility, dedication, enthusiasm, and spirit were the contributing factors for the loss of:

Nora Garcia Song Girl
 Leslie Llorca Cheerleader
 Mary Lopez Cheerleader
 Denise Lynch Lettergirl
 Liz Monti Cheerleader
 Teri Pasquinelli Song Girl
 Tina Quinn Cheerleader
 Dayle Sherin Cheerleader
 Sherry Smith Mascot
 Susan Stowers Song Girl
 Kimra Yowell Cheerleader
 Tami Yowell Song Girl
 Mary Zeigler Song Girl

The five remaining Varsity:
 Sharlene Averitt Lettergirl
 Lu FitzGerald Cheerleader
 Liz Pritts Lettergirl
 Tina Teichner Song Girl
 Mistry Ty Lettergirl
 with the assistance of the J.V. Squads, finished basketball season very successfully. In the last six weeks of the basketball season, the crowd participation in supporting the team was the most outstanding in the history of Gunderson.

Junior Varsity Accelerates

From the beginning to the end, the Junior Varsity Squads have shown excellent spirit and dedication. The J.V. Cheerleaders Jeanette Silver, Kristi Stansbury, Pam Upton, Lisa Vandenberg, Alera Walker added their positive attitude and excitement to all the J.V. games. Thanks to the enthusiasm of the J.V. Song Girls Heidi Margolies, Charlene Nizawa, Denise Oki, Debbie Specker, Jenny Uyeda, DeAnn Wilson, Soccer has now been considered as being one of the major sports at Gunderson. It is also the first year that J.V. Song Girls have been successful as a group. This years J.V. Mascot was Stephanie Smith.

Mrs. Uyeda, Unit 1 Secretary, started out being the J.V. Spirit Leader early in the summer. By the beginning of school, Mrs. Uyeda took over Varsity also. She did her best to guide Spirit through a difficult year. Mrs. Uyeda should be given thanks for all her extra time and effort she put in to Spirit.

The "Grand Illusion"

Comes To Gunderson

The Grand Illusion, Gunderson's theme for the 1979-80 Variety Show, was a grand success. Many performers were not Gunderson students. There were people younger and older than us too. There were jokes, mime, singing, skating, and dancing, just to name a few. The comedy team of Fred and Barney was a smash hit. The dancing of Howard Baker was fantastic. Tom and John, the duo singing act, really perked up the show. And Elvis, performed by Dan Costa, more than astounded the audience.

HOMECOMING DAY was a terrific day for all nominees for HOMECOMING ROYALTY, even though our VARSITY team was defeated in the game against Willow Glen. The day started with class competition for crash-posters, pennie jars, rallies and floats. The classes of '80 and '81 tied for most spirited.

HOMECOMING DAY '80, '81 MOST SPIRITED

"COME SAIL AWAY" AT

THE HOMECOMING DANCE

The Homecoming Dance on October 26, was a big success. Everybody dressed formal for a night to remember. Also joining Debbie and Chris in royalty were, Sr. Prince and Princess Rey Mendizabal and Pam Clark, Jr. Prince and Princess Greg White and Laura Kube, Soph. Prince and Princess Joey Salemi, Sandy Reiersen.

Drama Presents

Success . . .

A Midsummer's Night's Dream.

This spring the Theatre Art's Department led by Betty Gardner, produced one of Shakespeares most memorable plays, "A Midsummer Night's Dream." When the department recieved the scripts, they realized the public would not come to see a show about royalty in Athens, Greece. So they decided to re-set the story in a london Park. The royalty now became bum's, with a court of hobo's and drunks. Technically, the show presented a vast amount of problems. Three different rypes of lighting were needed with only half of the circuit's left. New forms of make-up were to be used. There were no power tools or any good wood left to build the set's, and there was a small budget. Thanks to the help of some faculty, a few parents, and Jeff Shannon, the show was surpris-ingly, an overwhelming success.

Jazz Band

This years Jazz Band was expected to be much weaker than last years because they lost some strong seniors, but they proved that this was not to be so. Aside from their annual concert, which was well attended and very succesful, they played a job at I.B.M. and have been offered many other jobs including one to play as the pep band for the Oakland Raiders. Unfortunately the jobs conflicted with school so they could not be accepted.

Members are the following:

Dave Borges	Jim Quinn
Debbie Borges	Fred Rome
Angela Meadows	Marie Virgilio
Doug Maggio	Jeff Gilbert
Kurt Burger	Ric Mackie
Steve Hoelsing	Howard Reyes

Band Marches On

Through 1980

Band, directed by music teacher Glen Ishiwara and drum major Laura Thompson, finally reached their goal this year. They placed in their final competition of the year. Dedication was the major factor to their success. In December and throughout the year all the members came to school an hour before regular classes began and spent some of their entire Saturdays in Band camps. Their Tuesday and Thursday nights were spent on the field practicing over and over to attain their goals. The band takes great pride in having been able to represent their school and to win a trophy for Gunderson High School.

GUNDERSON BAND

The Marching Band held their second annual carnival to support the band's trip to Disneyland. Much of the carnival's success was due to the large amount of participation among the band members. Band scholarships for \$100.00 each, which go to the Best Musical Player and Most Outgoing Leader also came out of the carnival's proceeds. The Booster Club which is in charge of band fundraisers, hopes to continue having carnival's since they have proven to be successful.

Sadie Hawkins With The

"Honky Tonk Blues"

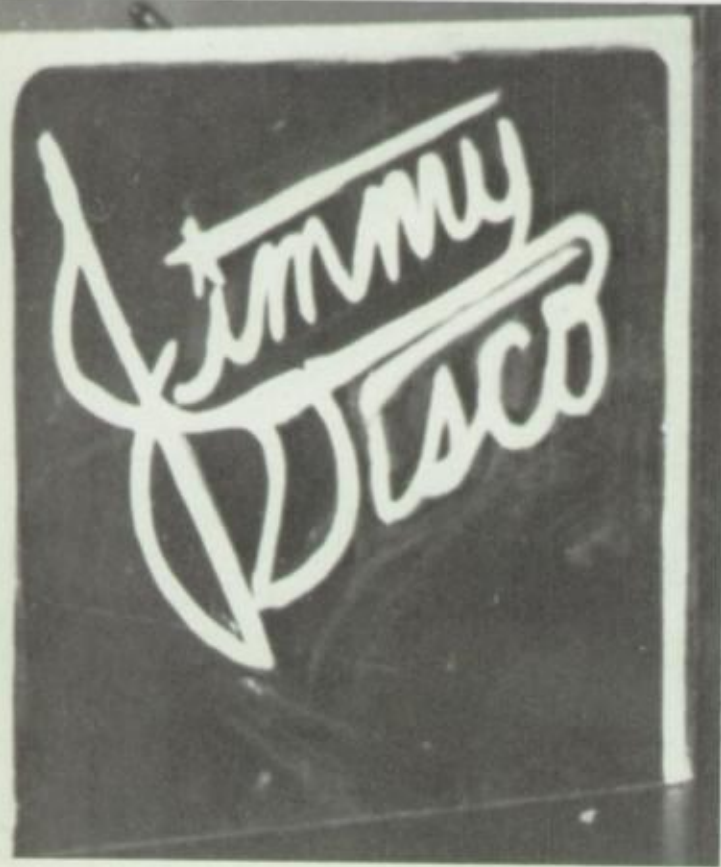

The sophomore class did a great job of setting up the Sadie Hawkins dance. On March 14, a crowd of foot-stomping hillbillies came to dance and be married by "Preacher Jones", at the famous girls ask guys dance. The sophomore tradition each year at the Sadie's is to pick a "Daisy Mae" and "Lil' Abner". The two lucky hillbillies were Annette Rush and Matt Faye.

Jeff White, a member of the Gunder-son student body, plays lead guitar for the band, Nebula, which performed at the dance.

Thanks again to the sophomores who helped to make the dance such a suc-cess.

Jimmy Goes Disco

With B.S.U.

The B.S.U. Club worked hard to sponsor the successful disco dance. There was no band but Jimmy, the disc jockey, provided the entertainment by playing all of the top hits. The dance went over very well and allowed an evening full of fun for the Gunderson students.

FFA "Get The Knack"

Of Being A Winner

Gunderson's Chapter of Future Farmer's of America (FFA) has been more active than any other school in the Santa Clara Section this year. Not only has it just participated in events and contests, it has been winning. Some of the events and contests, it has been winning. Some of the events the FFA has participated in were: Soils Contest; Co-op Contest; Project Competition; Volley-Ball, and Parliamentary Procedure Contests. Gunderson did very well in all of these and also earned a Superior Chapter Award. Some other things the FFA has done are: a greenhouse clean-up and barbecue; held fundraisers such as candy cane sales, paper drive, and a Fall and Spring Flea Markets. They also went on trips to Paso Robles, San Louis Obispo, Cow Palace, Harnell Jr. College, and University of California Davis.

But, Then . . .

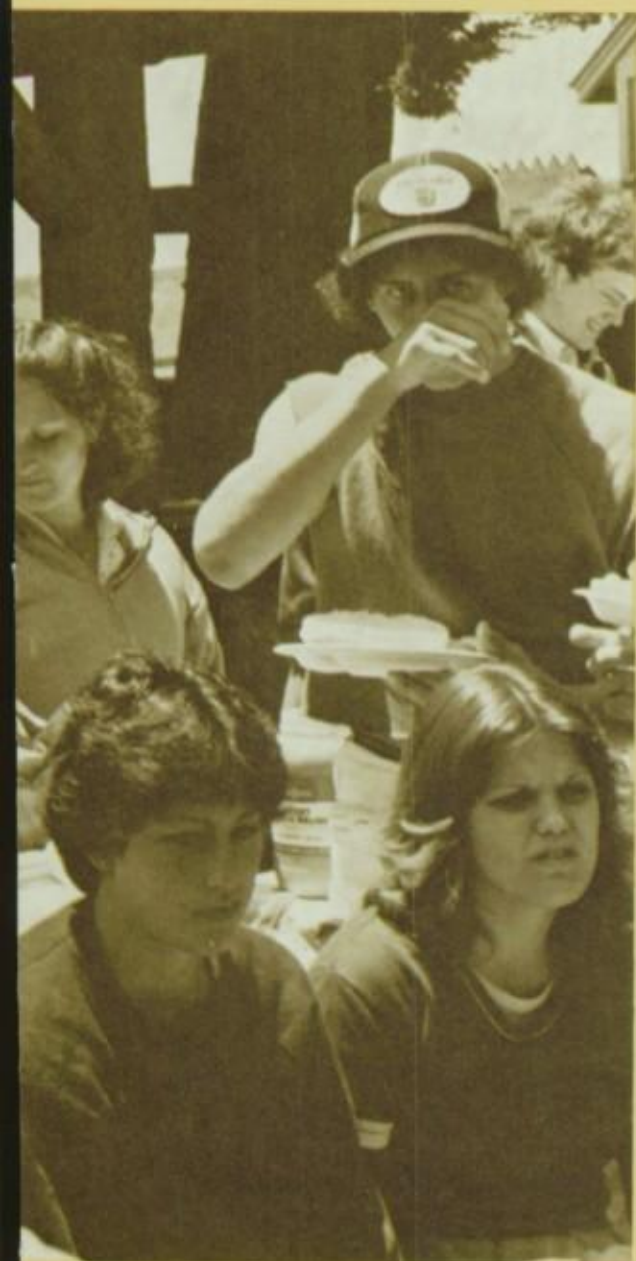

Under cloudy skies the four bus caravans loaded with the class of '80" ventured to the senior picnic at Seacliff State Beach. It was wet and cold as the four buses arrived. Due to the heavy winter storms, the low parking area was closed off forcing the over two hundred seniors to take the stairs down to the beach.

A few eager seniors quickly and foolishly went straight for the icy Pacific waters. The rest began munching on cookies and potato chips provided by the class.

The wet sidewalks and steps turned into a safety hazard as one senior (Susan Applebom) slipped and broke her ankle when she was going down to the sandy beach. Susan was taken quickly to Dominican Hospital in Santa Cruz, where her ankle was set and she was able to attend graduation.

The day then began to look brighter as the sun finally (about 1:00) decided to come out. With the sun came the seniors' appetites. However, the hordogs had not made the trip with the seniors. Then the calvary, namely Mr. Sleight, came up on a rescue mission with the sixty plus pounds of prime franks. From then on the day went smoothly.

Seniors basked in the sunshine, battled each other in games and went swimming. The day that started out on the gloomy side turned out to be a total success.
